

# Certificate

It is herewith confirmed that

**Dr. Athanasios Dervisoglou**

has attended and successfully completed a surgical training course on

## **Advanced Laparoscopy Surgery**

held on July 10<sup>th</sup>, 2008

at the Hospital of AKH, Vienna, Austria.

The workshop covers various forms of Laparoscopy Surgery, whereby the focus is on the treatment of Morbid Obesity with the A.M.I. Soft Gastric Band.

All aspects of bariatric surgery, including patient education, operative techniques and the guide lines for the postoperative follow-up were covered and discussed during this training program.
